### **PART II -- WRITTEN STATEMENT OF REASONS FOR DETENTION**

(Check one or both, as applicable.)

$\boxtimes$		(1) I find that the credible testimony and information submitted at the hearing establishes by clear and convincing evidence as to danger.
×		(2) I find by a preponderance of the evidence as to risk of flight that:
		The defendant has no significant contacts in the District of Arizona.
		The defendant has no resources in the United States from which he/she might make a bond reasonably calculated to assure his/her future appearance.
	$\boxtimes$	The defendant has a prior criminal history.
	$\boxtimes$	There is a record of prior failure to appear in court as ordered.
		The defendant attempted to evade law enforcement contact by fleeing from law enforcement.
	$\boxtimes$	The defendant is facing a minimum mandatory of 10 years of incarceration and a maximum of lifetime imprisonment.
	The c	defendant does not dispute the information contained in the Pretrial Services Report pt:
	Defe 18) a seve relate suspo warra trans prese origir in a p day p meth Defe	dition: Indant has prior criminal history, including a 2008 felony burglary conviction (age and a 2013 conviction for Aiding Illegal Aliens to Elude Examination. He has ral failure-to-appear entries in his criminal history, most of which relate to traffic ed cases. Defendant has a failure to appear warrant from Kansas for driving on a ended license and obstructing legal process or official duty. Defendant had a ent for his arrest in a Maricopa County matter (CR 2018-6093) but he resolved that ant when he was arrested and transported to state authorities (prior to being ferred to federal custody). Defendant's arrest-warrant history demonstrate he ents an increased risk of flight. Defendant has a methamphetamine addiction. He hally denied using controlled substances but submitted to a drug test that resulted positive methamphetamine test. He then admitted he used methamphetamine the prior to his arrest. Importantly, the case concerns more than 120 pounds of amphetamine, 5 pounds of fentanyl pills, and 2 pounds of heroin. The Court finds indant is a flight risk for which no conditions will reasonably secure his future court dance.

The Court incorporates by reference the findings in the Pretrial Services Report which were reviewed by the Court at the time of the hearing in this matter.
